

Michael Terfehr

Michael Terfehr first flew solo on his 16th birthday and received his pilot's license one year later. Currently, Michael has over 12,000 flight hours in many different aircraft types including the Piper Cub, Bell 407, Cessna 185 float plane, Lear 60XR, Gulfstream IV, MiG 15/17F, T-33, and L-39.

He has over 26 years of aviation experience in aircraft management, Part 135 charter operations, aircraft procurement, aircraft sales, and maintenance management. When he's not performing in airshows, Michael can often be found in the cockpit of 45 North Aviation's charter and aerial tour aircraft and flying RC planes.

Bill Culberson

Bill Culberson is the son of an Air Force fighter pilot and a lifetime fan of military aviation. Following a stint in the US Air Force, Bill earned an Electrical Engineering degree from the University of Alabama. He spent 24 years in the commercial aviation industry, with 17 of those years spent as an FAA Designated Engineering Representative.

Bill retired in 2016 to pursue his passion for restoring and flying classic military aircraft. He serves on the board of directors of the Classic Jet Aircraft Association and is type rated in the L-29, L-39, MiG 15/17, T-33, and B-17. Bill is also an experienced RC aircraft pilot.
